

Zipporah Wife Of Moses A Novel

Craig S. Keener presents fascinating, wonderfully useful information on the historical and cultural backgrounds of nearly every verse in the New Testament.

"Nearly all the material in this volume is taken from lectures Rabbi Soloveitchik delivered in the mid1970s"--ECIP introduction.

Discusses four illuminated haggadot, manuscripts created for use at home services on Passover, all created in the early twelfth century.

Not only is the Bible full of strong women... it is full of strong black women. While it is often underplayed by mainstream Christianity, the majority of the Bible took place in Africa, and involved many women of color. In this study we'll look at the lives and lineages of the following women: + Hagar - Abraham's Egyptian wife. + Tamar - The Canaanite mother of Judah's twin sons. + Miriam - The older sister of Moses + Zipporah - Moses' Midianite wife. + Bathsheba - King Solomon's Canaanite mother. + Jezebel - King Ahab's wife from the line of Ham. + The Queen of Sheba - The Ethiopia queen that came to visit King Solomon. + Mary Magdalene - The woman with seven devils cast out by Christ. The presence of these women in the Bible is often a sticking point for many because most of them descended from the line of Ham. Those that didn't come from the line of Ham were Hebrews, which were often mistaken as descendants of Ham. If you've never done a study on who these women are,

which lines they come from, and the roles they play in history, then make sure you grab this book.

Vision and Leadership

Rebekah

More than three thousand years ago, a black child was found on the shore of the Red Sea. She was given the name Zipporah, 'the bird'. But because of the colour of her skin, her fate was sealed: in the tribal lands where she lived, no man would want her as a wife. But one day, as she was drawing water at a well, Zipporah met a man like no other she'd met before. An outcast like herself, his name was Moses and he was a fugitive from Egypt. A passionate lover and a generous wife, Zipporah the Black, the stranger, the non-Jew, was to share Moses' destiny. Thanks to her, he would forget his fears and hear the message of God, bequeathing to mankind laws that, even today, protect the weak against the strong. But Zipporah's love for Moses would condemn her - for among the Hebrews of the Exodus her status as a black woman was to have catastrophic consequences... A forgotten protagonist of the Old Testament, Zipporah was the embodiment of intelligence and love.

Although the weakest of the weak, she was the first to understand the full potential of the role

given to Moses, her emotional bravery and strength in adversity making her, like Sarah, an astonishing modern heroine: a woman for her - and our - troubled times.

Encouraging lessons from both the strengths and weaknesses, the great moments and the bad moments of the greatest leader God's people ever had.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Zipporah, Wife of Moses: A Novel." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Challenging the public's negative perception of the Jewish religion's views on love, Naftali Rothenberg shows his readers the fundamental ways in which love forms the foundation of Scriptural meditations on wisdom and achieving nearness with God. Rather than seeking to repress love as a significant part of human interaction, Rothenberg examines how Scripture celebrates love -- particularly love between men and women -- and uses this celebration to deepen our understanding of the love of people for their

fellow man and God's love for his people.

The IVP Bible Background Commentary: New Testament

The Popular Handbook of Archaeology and the Bible

Early Jewish and Christian Memories of Moses' Wife

Retells the story of Moses, from his birth and trip in a boat of bulrushes to his bringing of the Ten Commandments down from Mount Sinai, with beautiful illustrations that capture one of the Bible's most inspirational stories.

Focuses on the life of Zipporah, the adopted Ethiopian daughter of Jethro, high priest of the Midianites, who became the consort of Moses and who played a vital role in supporting Moses in returning to Egypt to lead the Israelite slaves to freedom.

Zipporah stood motionless. Her father's words whirled through her mind, and her heart surged with anger and pain. How could he give her to Moses a foreigner, a man she didn't trust?

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC

As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In Gospelbound, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

The undiscovered story of Moses, Zipporah & Jethro

In this book, we will discover how Zipporah (Moses's wife) saved Moses's life from a certain death and ensured he carried out the commission given him by God. Next to Mary (Jesus's mother), Zipporah was arguably one of the most important women in the

Bible as will be revealed in chapter 2. "Bizarre" is typical of how biblical scholars describe the tale of Zipporah and her husband, Moses, especially the section in which God planned to kill Moses and Zipporah uses a blood ritual to successfully defend her husband and son. For mystery, mayhem, and sheer baffling weirdness, nothing else in the Bible quite compares with the story of Zipporah and the "bridegroom of blood."

All the women of the Bible offers a rich biographical perspective on every female figure in scripture -- including the famous, the little-known, and even the unnamed. In more than 300 engaging and insightful portraits, Edith Deen brings alive the saints and sorceresses, queens and servants, mothers and daughters, wives and widows whose profound influence is felt through-out the Bible. "You can almost trace light and darkness in the Bible by the women themselves," she writes. "Hannah, praying mother of Samuel, gave birth to a son who became the first great Hebrew prophet. And, of course, there was the mother of Jesus. On the other hand, Jezebel and Herodias were vile influences, the first tearing apart the northern kingdom of Israel, the second causing John the Baptist to be beheaded." Combining thorough detail with a lively and dramatic narrative, All of the Women of the Bible portrays the real women behind the Biblical stories and shows how, in their human struggles and triumphs, they are very much like the women of today. With each major biography identified by Bible chapter and verse and prefaced by a key passage of scripture, this is an ideal resource for teachers, Bible students, preachers, and writers, as well as anyone who wants to learn what it

was really like to be a woman in Biblical times. From two leading Christian apologists, here is a fascinating survey of the most important Old and New Testament archaeological discoveries through the ages. Biblical archaeology has always stirred excitement among believers and curiosity among unbelievers. The evidence dug up with a spade can speak volumes--and serve as a powerful testimony of the reliability of Scripture. Norm Geisler and Joe Holden have put together an impressive array of finds that confirm the biblical peoples and events of ages past. In a user-friendly format written in popular style, they... examine the latest finds and explain their significance include dozens of photographs provide an instructive chart of artifacts (along with fast facts) sample a variety of finds--papyri, inscriptions, scrolls, ossuaries, and more If readers are looking for just one book to cover this topic both concisely and comprehensively, this is it!

The Lubavitcher Rebbe's mystical teachings on the weekly Torah portions are widely studied by students and admirers around the world. The Rebbe saw the weekly Torah portion as an inexhaustible source of new ideas, insight into current issues, and profound relevance for daily life. He urged his followers, as well as everyone who came into contact with him, to seek daily inspiration from studying the Torah. This second volume of DAILY WISDOM, in the tradition of the highly acclaimed first volume of DAILY WISDOM, presents these daily inspirations in a clear, user-friendly format. Like its predecessor, this volume comprises 378 daily lessons, each of which offers a taste of the Rebbe's vast and deep teachings, filled with love for humanity, pragmatic optimism, and the

conviction that evil and negativity will disappear when we learn to emphasize goodness and kindness. These ideas are woven together throughout the book, resulting in a precious daily resource that will enrich and elevate the lives of all readers.

Mirror of the Arab World: Lebanon in Conflict

A concise report on the recent history of Lebanon offers insight into the unique challenges being faced by the modern Arab community, in a volume that provides coverage of such topics as border disputes, Sunni and Shia sectarianism, and militant Islam as a political ideology. Reprint. 15,000 first printing.

The Book of Jasher, a lost book of the Bible comprising ninety-one chapters, is presented here complete in the celebrated 1840 English translation by Moses Samuel. Referenced twice in the New Testament scripture - once in Joshua and once in Second Samuel - the Book of Jasher is also known as the Sefer haYashar or the Book of the Upright. Its contents are wide-ranging; the creation of Man and the story of Adam and Eve, and the descendants of Noah comprise part of the text. The testing of Abraham by God also features, while Abraham's dialogue is notably expanded far beyond what is said in the Hebrew Bible. The text has gained a great following since its translation to English in the mid-19th century. The Church of Latter-Day Saints founder Joseph Smith praised its detail, noting the book's elaboration on the condition of the Earth following the Great Flood. In this eye-opening book, Ilana Pardes explores the tense dialogue between dominant patriarchal discourses of the

Bible and counter female voices. Pardes studies women's plots and subplots, dreams and pursuits, uncovering the diverse and at times conflicting figurations of femininity in biblical texts. She also sketches the ways in which antipatriarchal elements intermingle with other repressed elements in the Bible: polytheistic traditions, skeptical voices, and erotic longings.

This volume contains the papers presented at the 2017 meeting of the SBL Program Unit on Deuterocanonical and Cognate Literature in Boston, MA. The theme of the sessions was the interpretation of Torah in deuterocanonical literature. The contributions cover a variety of concepts and themes related to Torah and trace these through the Hebrew Bible, into the Septuagintal deuterocanonical books and other relevant and cognate literature.

Messages Especially for Women

Born into a world of luxury in the ancient Sumerian city of Ur, Sarah flees the arranged marriage planned by her father, a decision that leads to an encounter with Abram, a member of a nomadic tribe of outsiders, with whom she is reunited many years later in her exalted position as high priestess of the goddess Ishtar. Reader's Guide included. Reprint. 75,000 first printing.

A respected archaeologist's engaging, revealing take on ancient Israel. A thorough yet readable examination of a much-debated subject -- of relevance also to the current Israeli-Palestinian situation -- this book is sure to

reinvigorate discussion of the origins of ancient Israel. Now in paperback, a masterly analysis of the book of Numbers, the newest volume in the award-winning series of commentaries on the Hebrew Bible by "a celebrated biblical scholar, keen on weaving together traditional Jewish exegesis, psychoanalysis, and postmodern criticism" (The New York Times Book Review) Through the magnificent literary, scholarly, and psychological analysis of the text that is her trademark, Avivah Zornberg tackles the enduring puzzlement of the book of Numbers. What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land has become a forty-year death march. Both before and after the devastating report of the Spies, the narrative centers on the people's desire to return to slavery in Egypt. At its heart are speeches of complaint and lament. But in the narrative of the book of Numbers that is found in mystical and Hasidic sources, the generation of the wilderness emerges as one of extraordinary spiritual experience, fed on miracles and nurtured directly by God- a generation of ecstatic faith, human partners in an unprecedented conversation with the Deity. Drawing on kabbalistic sources, the Hasidic commentators depict a people who transcend prudent considerations in order to follow God into the wilderness, where their spiritual yearning comes to full expression. Is there a way to integrate this narrative of dark murmurings, of obsessive fantasies of return to Egypt, with the celebration of a love-intoxicated wilderness discourse? The question touches not only on the language the Israelites speak but also on the very nature of human utterance. What effect does the cumulative trauma of slavery, the miracles of Exodus, and the revelation at Sinai have on a nation that is beginning to speak? In *Bewilderments*, one of our most admired biblical commentators suggests fascinating answers to these questions.

The Lost Prophet of the Bible : Greater Than Abraham, Holier Than Moses

A Dictionary of Named and Unnamed Women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books and the New Testament

An unprecedented portrait of Moses's inner world and perplexing character, by a distinguished biblical scholar No figure looms larger in Jewish culture than Moses, and few have stories more enigmatic. Avivah Gottlieb Zornberg, acclaimed for her many books on Jewish thought, turns her attention to Moses in this remarkably rich, evocative book. Drawing on a broad range of sources—literary as well as psychoanalytic, a wealth of classical Jewish texts alongside George Eliot, W. G. Sebald, and Werner Herzog—Zornberg offers a vivid and original portrait of the biblical Moses. Moses's vexing personality, his uncertain origins, and his turbulent relations with his own people are acutely explored by Zornberg, who sees this story, told and retold, as crucial not only to the biblical past but also to the future of Jewish history.

Business leaders say, "Plan your work, work your plan."

Guys, why not apply that idea to your Christian life? After all, "The noble make noble plans, and by noble deeds they stand" (Isaiah 32:8 niv). The Life Map Devotional for Men offers biblical wisdom so you can become more of the man God wants you to be. Through 28 weeks and a total of 140 entries, you will be encouraged to improve your knowledge of the faith, your prayer and Bible time, your finances, job, health and wellness, and more. With insightful devotional thoughts for each weekday and an interactive "Life Map" for each weekend, this book will guide you into a more intentional life--one that both honors God and benefits you and others for years to come. Why not make this your best year ever? Make noble plans, do noble deeds, and succeed in every major area of life!

In this remarkable book, Andries Lievaart explains that the story of the Blood Husband, as mentioned in Exodus 4, can only be understood by studying the undiscovered forty years Moses spent in the land of Midian. No other researcher of the Bible has succeeded in expressing in a clear way what happened in that period in the life of Moses, in the life of his wife Zipporah and in the life of father-in-law Jethro. The reader is, so to speak, taken into the lives of these three protagonists and will be astonished time after time. The heart of many Christians will beat faster when reading the undiscovered biblical story about the Blood Husband.

From the internationally bestselling author of Sarah comes the riveting story of the remarkable woman who walked beside Moses. Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her,

he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts, temples, and ancient wonders is a fitting backdrop to an epic tale.

Moses

The book, "" Antiquities of the Jews; Book - II "", has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

"The complete story of the man Moses,

history's premier prophet, lawgiver and religious heroic figure, cannot be told without an understanding of the women in his life. The Bible tells us that Moses was born to Yocheved, daughter of Levi, third son of the Hebrew patriarch Jacob. He was watched over by his sister, Miriam, drawn from the Nile waters by Batya, daughter of the Egyptian Pharaoh, raised as Egyptian royalty, and married to Zipporah, daughter of the high priest of Midian." "But there is more depth to these women's lives than what appears in the sparse biblical text, and it is the Jewish biblical commentaries who unveil these layered nuances. This book draws upon these sources and recounts how the Hebrew midwives resisted carnal intimidation by the Egyptian Pharaoh; what occurred between Moses, Zipporah, and the angel of death that night in the desert inn; why Moses abandoned Zipporah; how Miriam championed her sister-in-law, Zipporah, and was punished for it; and the identity of Moses' mysterious Kushite Woman." "Moses' Women weaves these biblical narratives and the commentaries into a chronicle of the women who reared Moses, bore his children, advised him, and intervened to save him time and again, when his very life was trembling in the

balance."--BOOK JACKET.

Set in the magnificent culture of the Middle East more than four thousand years ago, Lilah is a rich and emotionally resonant story of faith, love, and courage. Living in exile, Lilah is in love with Antinoes, a Persian warrior. They have known each other since they were children, and Antinoes dearly wants to make Lilah his wife. Yet Lilah does not feel she can marry without the blessing of her brother, Ezra. She and Ezra are close, and Lilah knows her brother well—he does not want his sister to have a husband outside their faith. Ezra is a scholar of the laws of Moses, and Lilah believes it is her brother's destiny to lead the Jewish people back to the Promised Land. While Antinoes pressures her to accept his proposal, Lilah realizes that before she can consider her own happiness, it is her duty to help her brother accomplish the seemingly impossible task that is before him. Putting herself in grave danger, and with the help of Antinoes, Lilah wins Ezra an audience with Artaxerxes II, the King of Kings, who grants permission to lead the exiles on their journey back to the Promised Land. After a hazardous trip across the desert, Lilah, Ezra, and the thousands who join them arrive in

Jerusalem. But the hardship of rebuilding the Temple takes its toll, and the religious enthusiasm of some turns to extremism. Ezra, listening to the zealots, orders all non-Jewish wives and their children banished from Jerusalem. Lilah, whose love for Antinoes has never wavered, is horrified by this command. She knows she must now choose between her brother and her conscience, which tells her that the time has come to defy him. Lilah is a timeless story of one woman's stand against intolerance; it will linger in the reader's mind long after the last page has been turned.

In this book, we will discover how Zipporah (Moses's wife) saved Moses's life from a certain death and ensured he carried out the commission given him by God. Next to Mary (Jesus's mother), Zipporah was arguably one of the most important women in the Bible as will be revealed in chapter 2. "Bizarre" is typical of how biblical scholars describe the tale of Zipporah and her husband, Moses, especially the section in which God planned to kill Moses and Zipporah uses a blood ritual to successfully defend her husband and son. For mystery, mayhem, and sheer baffling weirdness, nothing else in the Bible quite compares with the story of

All of the Women of the Bible

A Heroine Of The Old Testament

The Early Reception of the Torah

With this careful, nuanced exegetical volume in the New Studies in Biblical Theology, J. Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ.

“This splendid reference describes every woman in Jewish and Christian scripture . . . monumental” (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. *Women in Scripture* is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament

will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level.

Rebekah, book two in New York Times bestselling author Orson Scott Card's *Women of Genesis* series—a unique re-imagining of the biblical tale. Born into a time and place where a woman speaks her mind at her peril, and reared as a motherless child by a doting father, Rebekah grew up to be a stunning, headstrong beauty. She was chosen by God for a special destiny. Rebekah leaves her father's house to marry Isaac, the studious young son of the Patriarch Abraham, only to find herself caught up in a series of painful rivalries, first between her husband and his brother Ishmael, and later between her sons Jacob and Esau. Her struggles to find her place in the family of Abraham are a true test of her faith, but through it all she finds her own relationship with God and does her best to serve His cause in the lives of those she loves.
